

WELCOME to the **Keuka Outlet Trail**

www.keukaoutlettrail.org

The 7.2 mile long Keuka Outlet Trail is privately owned and managed by the Friends of the Outlet, Inc. (FOTO), a not-for-profit organization dedicated to preserving natural resources of the Keuka Outlet gorge and waterway while promoting activities which benefit public health and education.

The Keuka Outlet Trail follows the Keuka Outlet waterway, also known as the Minnesetah River, which flows from Keuka Lake in Penn Yan to Seneca Lake in Dresden. The changeable water flow can be a dangerous raging river or a quiet babbling brook. Beware of rapidly rising water and erosion damage, noxious weeds (poison ivy, etc.), ticks and mosquitos. Caution should be maintained at all times.
